No recent operations.

**PREPAREDNESS:**

Crystals for VE4ARS came in last week, possible installation next week.

2010 WEM Courses: JAN 26-28, MAR 16-18, MAY 11-13.

2m gear almost ready for install in Manitoba Hydro EOC by an Amateur qualified MB Hydro Engineer. There will be an ARES field-trip to new MB Hydro Bldg to look at their EOC, get a MB Hydro Emergency Preparedness Program briefing and a tour of the new building.

17 Wing TISS checking on DND-owned 2m gear.

Per 9 NOV e-mail from SEC Don Gerrard VE4DWG, active ARES members are considered Critical Infrastructure Workers (per MB Health ODM Director Gerry Delorme) and should obtain their H1N1 Vaccine inoculation (if they desire the vaccine) when it is announced that vaccine is now available for people in Priority Group #2.

AEC Bob Poole has recently announced his intention to step down as AEC but stay on as a regular ARES member. Bob was appointed as AEC in SEP 2005.

**GENERAL MEETINGS**

15 DEC            Daren Mini                      Manitoba Association of Native Firefighters

?? JAN            Glen Napady VE4GWN            Monitoring Trunked Radio

**Recent Disaster Management Conference in BRANDON**

Visited MTCC morning of 6 NOV. MTCC Director looking to get Amateur back-up to MHEOC on Ellice then to the RHAs. There is an Amateur qualified MTCC staff member

and a number of MTCC staff who are interested in obtaining their Amateur Radio qualification. Brandon ARC scheduled to tour MTCC in the next month or so.

Filled up one whole writing tablet with meeting notes at DMC – will be available once I have transcribed them.

Came home with six major “to do” items, am working thru the list.

Next DMC is 9 to 11 MAR 2011 in Winnipeg.
