Six rural locations involved, nothing in Wpg.
It would be great if we can cover at least 2 locations with

As of early JUL we have run more severe wx nets that past
few years.

Still some gaps in on-call schedule:
DAYS: wk of 6 SEP [Norm VE4EH has taken 27-29 AUG]
EVE: Wk of 30 AUG.

RECENT OPERATIONS:

None.

PREPAREDNESS:

NOV WEM Course registrants are Gerry VE4GKS and David VE4DJS.

With 5 recent new members (VE4s GKS, RDO, DJS, HAY, EWN) we need to start an
additional telephone fan-out sub-list. Ed VE4BN & Ken VE4AFL have agreed to be the
“phoners” for that list which I hope to compile in the next few days.
