

FOR PRESENTATION TO:
WINNIPEG ARES GENERAL MEETING
18 MAY 2011

EMERGENCY COORDINATOR

Jeff Dovyak VE4MBQ

RECENT OPERATIONS:

- Call-Out 95 Equip Reception Centre and provide on-call support
5 APR to 5 MAY. 5 ARES members.
- Call-Out 96 Support City of Winnipeg Volunteer Management
6 APR to 2 MAY. Over 30 ARES members & affiliates.

UPCOMING OPERATIONS:

- PSE-122 Manitoba Marathon 19 JUNE
Need less than 3 Amateurs now.
- PSE-123 Air Force Run 29 MAY
Seem to have sufficient volunteers, organizers slow on race
details. Radio Volunteer Briefing THURS 26 MAY 2030h,
location *TBA*. Looking for a “tow” person for our Boler.
Will be using two repeater frequencies and one simplex
frequency.

FLOOD OPERATIONS:

We have been staffing VE4EMO at Manitoba Emergency Coordination Centre since
MON 11 APR for all shifts that the ECC is open.

From SEC Don Gerrard VE4DWG: Special thanks to the operators who have put in so
much time and effort to support EMO in this disaster:
VE4's BN, MAQ, ESX, HAZ, GWN, SE, XYL, KEH, RST, HK, JNF, WR, DWG, MBQ.

PREPAREDNESS:

TM-241 withdrawn from Mobile Kit #5, replaced with HTX-242 that was at VE4EOC.

HTX-242 withdrawn from VE4EOC and replaced with a new Yaesu FT-1900R.

As mentioned in a recent e-mail, City of Winnipeg Emergency Preparedness Program
recently purchased two Yaesu FT-1900R 2m transceivers and four Comet CTC-50M
Coax Pass-Thru devices to bolster our ability to set up temporary stations and replace
some older transceivers. The CTC-50M devices are in Mobile Kits 1,2,3 and 5.

Glen VE4GWN attended WTISS at 17 WING approx 10 MAY and updated
programming on DND-owned TM-261A 2m mobile.

Manitoba ARES

Development of SOP for 1.2 GHz equipment at VE4s EMO, EOC & PSC pending. D-STAR 1.2 GHz communications between VE4EMO, VE4PSC and VE4EOC must be tested once installed at all locations.

CANWARN

Spotter Training SAT 28 MAY 1000h in Neepawa at Chicken Corral Restaurant 51 Main Street East – Talk-In 146.52 MHz, notify MBQ by TUE 24 MAY if planning to attend.
