

FOR PRESENTATION TO:  
WINNIPEG ARES GENERAL MEETING  
17 APR 2012

**EMERGENCY COORDINATOR**  
Jeff Dovyak VE4MBQ

**UPCOMING OPERATIONS:**

CANWARN Net Control      On-Call Daily 0930-2130h 14 MAY thru 9 SEP  
Shift scheduling will start very soon.

Air Force Run 27 MAY

Have approximately 18 volunteer operators  
Being coordinated by Craig VE4CDM  
Craig & Jeff VE4MBQ recently met with some AF Run  
Coordinators.

Manitoba Marathon 17 JUN.

Still have some positions vacant as well as 2 back-up spots.

**RECENT OPERATIONS:**

Exercise-101              24 MAR  
CANWARN Spotter Training in Selkirk  
27 participants (15 from Winnipeg ARES)  
Media Release 2012-01 resulted in interest from one TV station  
Write-up in MRS Spring 2012 newsletter, pages 9-10.

Exercise-102              14, 15 APR  
Signal Penetration Testing at Marathon Care Centre  
And Temporary Swap of VE4UMR Antenna  
13 ARES members.

Switching UMR to the APRS Vertical introduced a lot of noise and  
made some comms in the Fort Garry Campus area marginal.  
We are planning to go with both a passive antenna system for VHF  
on Race Day as well as a temporary UHF portable repeater for  
Care Centre use only.

**PREPAREDNESS:**

8-10 MAY WEM Course (Craig VE4CDM and Rob VE4RAI).

VE4ARC sill down, ready for re-install but Yori VE4ACX is very busy.

**GENERAL MEETINGS**

15 MAY      CANWARN Net Controllers Briefing
