

FOR PRESENTATION TO:  
WINNIPEG ARES GENERAL MEETING  
21 MAY 2013

## **EMERGENCY COORDINATOR**

Jeff Dovyak VE4MBQ

### **CURRENT OPERATIONS:**

PSE-134                      CANWARN Net Control 13 MAY – 08 SEP  
Volunteer Net Controllers on-call 0930-1730h & 1730-  
2130h daily. Currently many unfilled shifts.

### **UPCOMING OPERATIONS:**

PSE-133                      Manitoba Marathon SUN 16 JUN  
Amateur Briefing TUE 11 JUN Norwood CC  
It would be comforting to have 3-4 reserve operators to  
take the place of any drop-outs before Race Day.

PSE-135                      RCAF Half-Marathon SUN 26 MAY.  
Craig VE4CDM is Coordinating this event for ARES.

### **RECENT OPERATIONS:**

EX-109                      Tour of STARS Base 15 MAY 2013  
24 ARES members & affiliates.

### **PREPAREDNESS:**

MAY WEM Course re-scheduled to early JUN, no ARES member available to  
participate.

ID-1 radios for EOC, EMO & PSC have been programmed by Glen VE4GWN.

Contents of Mobile Kits 1-5 checked 18 MAY, only missing piece of equipment is one  
mono “Y” headphone adapter. Electrical Tape & Cable Ties have been used up in most of  
the kits – will be replaced.

It would be great to have at least two ARES members identified to attend VE4EOC if  
necessary during the Manitoba Marathon (i.e. from the small number of those not  
covering the Marathon).

Jim VE4SIG will be Duty Coordinator while I am away – civil authorities have been  
notified.
