PREPAREDNESS:

Upcoming WEM Course dates:
May 26 and 27.

Please notify Jeff VE4MBQ if you have not yet attended a WEM course session and are able to register for one of these sessions.

VE4ARC returned to service approx. 10 MAR, asked for ARES members to try-out over 14/15 MAR weekend but didn't hear much use. Yori VE4ACX suggests experimenting with 70 cm at that site too since current repeater controller could accommodate a 2nd repeater (would need UHF antenna & UHF duplexer), MB Frequency Coordinator says 70 cm repeater pair available.
