& Memorial
Volunteers must be able to be outside for at least 4 hours.

RECENT OPERATIONS:

None.

PREPAREDNESS:

No update on VE4PSC 70 cm repeater – besides repeater is down and has lost site.

Wpg ARES has been offered use of a privately owned 2m repeater and a UHF repeater located near downtown. This UHF repeater might be a good back-up for Santa Parade.. The VHF repeater might be good for MB Marathon comms.

RAC Field Services and ARRL Field Services have not been helpful at all with regard to use of “security” brevity terms. City of Wpg Emergency Preparedness Coordinator not supportive of us going to that for general use.

MISCELLANEOUS

Nothing to report.
