MBQ in a Marathon Medical Meeting 08 JUN:

Community Centre booked for pre-race ARES briefing TUE 31 AUG, although there is a back-up plan for virtual briefing next day, Marathon Exec Director suggested if we can't have in-person briefing then probably can't have Marathon.

Marathon leadership requests leanest number of volunteers as possible.

Maximum 2000 participants/day, last runner could be 1430h.

Finish Line on road **NOT** IGF.

Medical Ctre will be in 20 X 40 foot tent in Soccer Complex Parking Lot.

Comm Centre will be in IGF, MBQ has asked to visit but has not yet rec'd permission.

Ski Patrol may not do Bike Medic role this year **BUT** SJA can – either way ARES is desired to dispatch Bike Medics again, this year on new provincial radio system.

RECENT OPERATIONS:

None.

ONGOING OPERATIONS:

Nothing to report.

PREPAREDNESS:

Nothing to report.

MISCELLANEOUS:

We often skip JUL General Meeting and past few years have skipped AUG too, can we do a brief meeting **TUE 17 AUG** to cover any MB Marathon stuff?
