

November 16, 2010 WARES General Meeting

Meeting held at Sir William Stephenson Library

Meeting began 7:00 pm

After introductions, VE4MBQ introduced Capt George Leonard of MSAR, Manitoba Search and Rescue Association.

Mr. Leonard gave a very interesting and lively presentation about his organization. They organize and conduct searches for lost individuals, primarily in on and around First Nations in northern Manitoba. His organization's members are apparently trained to international standards. They have conducted searches internationally. They have about 380 members, primarily Aboriginal. They are a non government organization, apparently with charitable status.

Presentation ended 8:06 pm
