

June 26, 2018 WARES General Meeting

Meeting held at Sir William Stephenson Library

Meeting began 7:00 pm VE4MBQ presiding

VE4WX gave a debriefing on RCAF Run, held May 27. He noted that all went well from our end. Military officials were pleased with our performance, and will likely ask us back next year. VE4WX recommended all volunteers employ high performance rubber duck antennas with their handhelds. Should have more volunteers.

VE4MBQ then led a debrief on Manitoba Marathon, held Father's Day, June 17. He also pointed out that the Marathon had a presentation on Friday, June 15, to recognize long term (30 years or more) volunteers. Fifteen of forty six were amateurs. Everything went quite well from our perspective.

The group then held a question and answer session, including Laurie Penton from the Marathon.

Debriefings completed at 7:55 pm

During the break, VE4HQ won the 50/50 draw. He and WARES each received \$12.00
